

CORPORATE ENTERTAINMENT
IN THE FAST-LANE

Activities

Formula Race Car

The Racing Car Experience is an ideal way to feel like a real racing driver. Move over Lewis Hamilton - it's you in the driver's seat. And not only that, we have a fleet of 10 Single Seater Racing Cars as well as numerous Honda Civic Type Rs so the whole group will be entertained, with minimum waiting time.

Rally Driving

The Rally Experience is one of our best loved activities and features a challenging purpose-built Rally Stage. Up to 5 cars can run through the stage simultaneously and uniquely our viewing point at Rally HQ allows those not in the car to see 90% of the route at any time.

4x4 Off-Road

Our team of expert instructors will help you and your guests navigate the naturally rugged terrain of Knockhill's 4x4 off-road track. Steep inclines, verticle descents, slippery surfaces and water crossings are just a number of obstacles that our Land Rover 4x4s will tackle with relative ease. Are you ready for the ultimate driving test?

Skid Control

If you have ever experienced the unnerving sensation of a skid out on the road, then this experiences will take you to and beyond your comfort zone as you purposely induce skids on our custom-built facility. Our expert instructors will help build understanding and confidence as you learn car control techniques in a fun and friendly environment.

Karting

Knockhill has it's own 500 metre outdoor Karting facility that can cater for Corporate outings of up to 40 guests. A mixture of racing formats and on-site equipment will provide an exhilarating environment for you and your guests to race head-to-head for those all-important places on the podium. Bubbly spraying and trophies for the winners.

“ High octane Group activity days and team building events at Knockhill are the perfect way to reward staff, entertain clients or enjoy a group action day out doing some fabulous motorsport activities. ”

Sample Packages

Scotland's National Motorsport Centre has been immersed in top-level UK motorsport for more than 40 years. Make full use of our intimate motorsports knowledge to treat your guests to a day of one exhilarating high after another.

Chequered Flag

Choose from life in the fast lane on track in one of our Formula Racing Cars, or slip sideways by going Rally driving on our custom built Rally Stage. Add in either 4x4 Experience, Skid Control Experience or wheel-to-wheel Go Kart Racing, this package is simply - EXHILARATING!

Formula Race Car Experience

We have a fleet of 10 Single Seater Racing Cars and numerous Honda Civic Type R's so the whole group will be entertained, with minimum waiting time.

Multiple cars will be on track so there's a great racing feeling but without too many cars to spoil your fun! It is an exclusive event for your Group only on track and we can't wait to see your smile when you jump out the car after taking the chequered flag and tell everyone how much fun you had!

Knockhill was the first place that David Coulthard drove a Single Seater so you really are following in the wheel tracks of Legends.

On the Day

You will be buzzing with excitement as you climb into your very own Formula Race Car. Learn the best racing technique at the wheel of a Honda Civic Type R, sit back and relax as our talented instructors take the wheel for your demonstration drive, pay attention as it's soon your turn to take control and hurtle around the track just inches from the ground on our international racing circuit as you drive your Formula Race Car. These cars are quick, slick and deliver an awesome driving experience.

- Honda Civic Type R driving session with Instruction
- 10 Laps driving 130bhp Formula Race Car
- Driving on Scotland's Only FIA and Motorsport UK Accredited Circuit
- Debrief with driver assessment, awards and certificates

4x4 Off Roding

Some natural and rugged Scottish terrain welcomes guests at the 4x4 Adventure. An experienced instructor shares their passion and knowledge as you take to our track in an iconic 4WD Discovery.

Learning off-roading techniques, you will take on a variety of terrain, through water and down steep descents. Probably the slowest activity at the circuit but certainly one of the most fun - proving that it's not all about going fast at Knockhill.

Terrain Control

On the Day

Our 4x4 off road driving experience is both challenging and a lot of fun! The naturally hilly and rugged terrain that surrounds our famous racing circuit is the ideal environment to get behind the wheel of a luxury 4x4 and test its true abilities. Water crossings, steep drops and high climbs are just a few of the obstacles you will encounter. Our team of off road instructors are very knowledgeable and passionate about driving and will encourage your bravery as you tackle our tricky off road course.

- Discovery 4x4 Vehicle
- Initial instructor demonstration drive
- Rugged challenging course
- Off road driving session

Skid Control

The Skid Control activity is just perfect for your group to Learn... and have fun!

The purpose built Skid Centre allows Instructors to train you how to control a slide should it happen in a road environment. Many people learn techniques which undoubtedly help them in tricky road conditions.

And having fun is all part of our ethos... a fun figure of 8 time trial will have everyone on the edge of their seat (literally) as the battle of speed against control results in hilarious outcomes.

On the Day

Everything at Knockhill is built with driving in mind and as an internationally accredited circuit safety is always our number one priority. We believe everyone should have some knowledge of how to control your vehicle in changing conditions. Whether you have just passed your test or been driving for many years you never know when you may be in a situation when your car will be involved in a skidding situation. Let us help you to confidently drive in wet and slippery road conditions including ice and aquaplaning.

- Welcome and safety briefing
- Demonstration drive by your instructor
- Hands on training on the skid pan
- Practical driving on a slippery surface

Sponsorship & Advertising

The fast moving World of motorsport is the ideal way to advertise your business to huge audiences. With over 200,000 visitors per year, Knockhill Racing Circuit can place your brand in front of captive audiences via trackside signage, corner naming and events sponsorship.

What kind of opportunities are available?

- Major Event Title Sponsorship
- Regular Event Sponsorship
- Motor Sports Club Sponsorship
- Corner Naming Rights
- Trackside Branding Sites
- Paddock & Building Signage
- Vehicle Supply & Sponsorship
- Event Trade Sites
- Food & Drinks Sponsorship
- Social Media / Radio Advertising

The name of a corner at a racetrack can pass into folklore! Au Rouge at Spa, Casino Square in Monte Carlo and "Your Company" Hairpin at Knockhill.

Corner Naming Rights

The corporate naming of a corner can provide immeasurable exposure to visitors, via media coverage and through numerous books, publications and websites worldwide that feature the famous layout of Knockhill.

Corner Naming	Naming Costs
Naming Rights to a Corner of the Knockhill Track (min 2 years)	POA
15 x trackside branding signs (6m wide x 1m high)	POA
Both naming & branding options (2 Years)	POA

Sponsorship Opportunities

The British Superbike Championship and the British Touring Car Championship are among the most popular racing series within the UK. Race weekends regularly attract 10K+ visitors whilst almost 2.5 million viewers tune in to watch their favourite racers on TV.

Our exclusive sponsorship opportunities allow brands to tap into this enthusiastic audience whilst enjoying a thrilling day of racing at Knockhill with clients and guests.

Sponsorship Package	Total Cost
Title sponsorship of the British Superbike Championship event	POA
Title sponsorship of the British Touring Car Championship event	POA
Title sponsorship of both Superbike and Touring Car events	POA

Track Signage (from 6m x 1m @ £750 per annum)

This highly visible platform will showcase your products or services through a multitude of methods: Knockhill Event Visitors (Circa 200,000 per annum), TV Exposure (ITV, Eurosport, Motors) and through the countless photos, videos and social media posts that contain action at Knockhill every year!

Contact us for more info on the sizes and locations available

Event Trade Sites

An action-packed events calendar draws spectators from all around the UK, providing you with a dynamic captive audience with which to drive your business forward. By booking an Official Knockhill Trade and Promotional Stand you'll receive a great location, in an area of high footfall that will give you an opportunity to showcase your products to the masses.
